# DENSMORE STORMWATER SYSTEM IMPROVEMENT PROJECT

March 2007

**STARTING SOON!**

## King County Stormwater Project on 4<sup>th</sup> Avenue Northeast

To protect public health and the environment, King County Wastewater Treatment Division will soon begin installing a stormwater vault and ventilation stack underneath 4<sup>th</sup> Avenue Northeast. Construction will begin in early April and last about four months.

Crews will also upgrade an existing manhole in the Lake Union public access area, and install a temporary stormwater bypass line across the Burke-Gilman Trail. Please obey all safety signs and personnel near the construction site.

Upon completion these facilities will reduce stormwater discharges into the Lake Union and the Ship Canal. Wastewater service uses a separate conveyance system and will not be affected by this project.

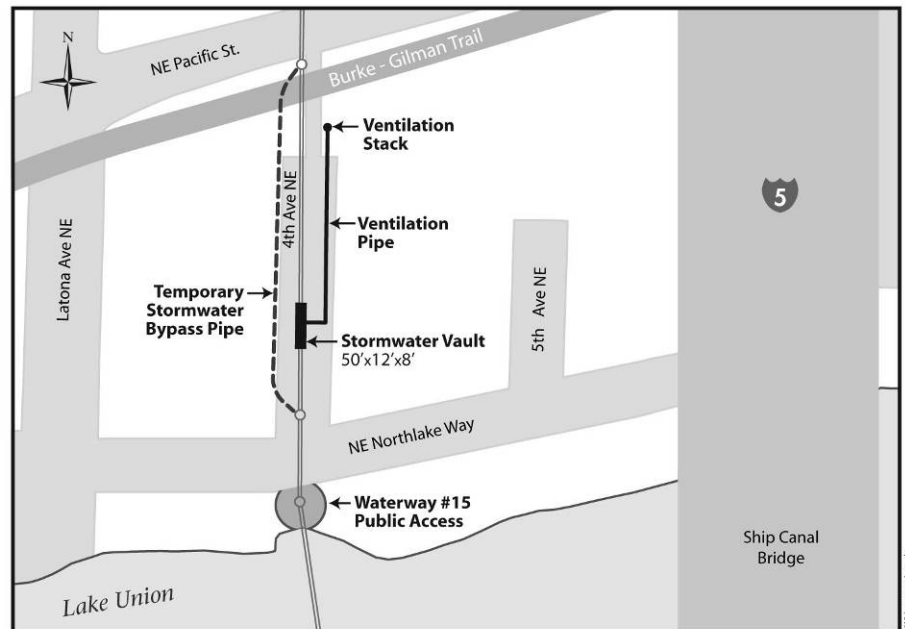

King County appreciates your patience during construction. For more information call the 24-hour construction hotline: 206-205-9305.

### What to Expect

- Work activities, heavy machinery, noise, dust and vibration from the construction site on 4<sup>th</sup> Avenue NE
- No parking and single-lane traffic access on 4<sup>th</sup> Avenue NE
- Short-term detours on Pacific Way NE and the Burke-Gilman Trail
- Trucks and heavy machinery on NE Northlake Way around 4<sup>th</sup> Avenue NE
- Weekday work hours will generally be 7 a.m. – 5 p.m. If necessary, crews may also work from 9 a.m. – 6 p.m. on weekends and holidays

### Alternative Formats Available
